CHICKEN BACON RANCH

We are excited to bring back a very popular sandwich for a few months! The Meatball Sub will be discontinued, and we will feature the Chicken Bacon Ranch sandwich from April through June!

This sandwich features a grilled chicken breast topped with thick fried bacon, Colby cheese, and Ranch dressing on a buttery toasted Ciabatta bun.

MAY GREETINGS

Is it really May? Where, oh where does the time go? We are enjoying longer evenings and warmer days! The guys are busy in the fields, planting rows and rows of tiny seeds, hoping and praying for a good harvest this fall. Those tiny seeds will sprout, grow, and endure days of sunshine, days of clouds, and even days of storm. Through it all, they will grow into strong plants, and will give of their bounty at summers end! They remind me of our lives. We all face joys and trials of various degrees, and at various times, but I believe that God sends exactly what we need- when we need it! Whether you are walking in the sunshine, or traveling through a valley in your life, may God bless your path with grace, courage, and a thankful heart.

-Jody

EMPLOYEE SPOTLIGHT

NORA HOPPER

Tell us a little about yourself:

I will be married for 27 years this June to Dwayne Hopper. We have 5 children: Jessica, Joshua, Julia, Jenna and Jalissa and one grandchild, Alex. I have homeschooled all the children and still have two to finish schooling.

What is your favorite thing to do outside of work?

Before working at the Homestead, I worked at Sweet Revolution Bake shop downtown Lafayette. When I'm not working, I love to serve. I serve as a board member, administrator/teacher for the Wildcat Creek Home Educator's Coop in Lafayette. I also serve as a 4-H club leader for the Rensselaer Rockets 4-H club and serve on the Jasper County fair board as Home and Domestic Arts superintendent and over see all the activity in the Community building during fair week.

When I have spare time, I love to read, do embroidery, bake and decorate cookies and cakes.

What is your favorite sandwich here?

My favorite sandwich is the Italian.

What does your typical day at work look like?

I work in production with some very awesome co-workers! We are busy making casseroles, pies, cookies and scones as we listen to praise and worship music. My favorite part about working at the Homestead besides the people, is the Christ-centered atmosphere and the wonderful conversations we have about what God is doing in each of our lives. I am very thankful the Lord brought me to the Homestead!
