A NOTE FROM JODY

September is one of my favorite months! It's that perfect in-between season when the days are profoundly beautiful and something happens to the air! Warm days and cooler nights prompt us that is now sweater weather, with soups, bonfires, s'mores, and apple treats galore! Pumpkin Spice starts popping up everywhere, and before we know it, we are surrounded by this cozy season! September at The Homestead means that we too start thinking apples and pumpkins and all of those deliciously yummy desserts that we just can't wait to serve! -Jody

Customer Reviews

'Amazing sandwiches! I split 3 sandwiches. The Reuben is the best I've ever had. The BBQ was also amazing, as well as the Italian. I had their Oreo truffle and that was just as great. This place is very cute and has a homey feeling. They also have a little store in the restaurant that sells frozen foods as well as little snacks and candies.' -Bella (West Allis, WI)

'Incredible food, very comfy atmosphere, and kind service. We recommend this hidden gem in West Lafayette to anyone in the area! So happy we stopped in. We will be back! Thank you for your wonderful establishment!' -Sue (Highland, IN)

'Just had their gluten free cookies and OH MY! The best I have ever had, without a doubt!' -Derek (Lafayette, IN)

EXTRUDER TRAINING ▶

We had a fun two days with Daniel (from British Columbia, Canada) who came to train our Production team on a piece of new equipment. The Unifiller Uni-X has really been a dream-come-true for The Homestead. We've talked about a machine that would aid in the efficiency of product production, and that day has come to pass! Some of the things that this machine can do for us is: sheet our sugar cookie cutout dough, cut cookie dough pucks, sheet scone dough, shape & cut bars, etc. We are truly thankful for this step in our operation!
