## THERE IS NO HURRY

There is no hurry in August, just the taste of fresh produce from gardens and the feel of the sun on our skin to remind us to savor summer. We pray you take a moment to slow down, enjoy a slice of zucchini bread, take a nap in a hammock. Allow yourself to recharge in the warmth of the sunshine while we have the opportunity to. Fall will be here soon.

PRODUCT SPOTLIGHT

FROSTED SUGAR COOKIES

Our Frosted Sugar Cookies are one of our most-loved and top-selling products! A perfectly soft and sweet cookie cutout, topped with our own creamy buttercream icing, decorated with care and with our customers wants in mind. These are certainly one of our most time-consuming products to make, that we do gladly as a labor of love. We get together a special team who enjoys spilling their creativity with icing on these adorable cookies. Each season we switch up our shapes to better match the surroundings- flowers, butterflies & carrots in the Spring. Popsicles, ice cream, hotdogs & flowers in the Summer. Apples, pumpkins, sunflowers, & leaves in the fall. Wreaths, mugs, snowflakes & trees for Christmas, and snowflakes, ice skates & mittens for winter! We have a lot of fun creating our special Frosted Sugar Cookies for our customers, and it brings us joy to see them so well enjoyed!

## customer review

“We went to The Homestead for lunch again, and I was again impressed by the quality of their food, but ever so more impressed when I saw one of the staff measuring the temperature of their chilled items in the salad bar! Their commitment to food quality is as astounding as the flavor of their Reubens, Hummingbird Cake and Tomato Basil Soup. You definitely need to check them out!” – Bill M. (WL Customer)

We now have an expanded freezer section, bulk & candies, jar goods, and gift shop! We hope you get a chance to check it out, as the Mercantile is filled to the brim with homemade gifts and goodies, treats, and small-town charm.

## DOORDASH DELIVERY - WL ONLY

The Homestead is now available for DoorDash delivery in West Lafayette only. Don't have time to run to the store or can't make it out of the house today? The Homestead offers sandwiches, as well as our frozen casseroles, pies, pot pies, soups, sweet rolls, cookies and more! Be sure to check it out for an easy and convenient option, delivered right to your door.

While we were hopeful and would love to be able serve our Remington and surrounding area with DoorDash delivery, we were having too many issues with our DoorDash drivers. We felt our customers were not getting good service, which results in the quality not being what we promise. We are sorry to disappoint.
