MONTH OF JAN

Employees of the Month

Our employees are the heart of our business. They are the first people our customers see when they come through the front doors, and the face of who we are here at The Homestead. And we SO appreciate them and all they do for us. Each month we recognize a different employee, nominated by their co-workers and bosses, so they can hear and recognize the difference they truly make in our business. We couldn't run The Homestead without our hardworking employees, and they deserve all the recognition!
