FRESH STRAWBERRY PIES

THE STRAWBERRIES WE USE

We carefully source our strawberries, choosing the largest, sweetest, and best-quality ones we can find.

HAND-CUT

Our strawberries are hand-cut which means each strawberry is lovingly checked to make sure we are offering the best.

MADE FROM SCRATCH

Our fillings and crusts are made entirely from scratch, which means you are getting a pie unlike any others.

Our Strawberry pies are never frozen, so they are fresh when you pick up.
