Thank you!

Our hearts are full after such a beautiful Spring Open House last month! From the moment our doors opened, we were overwhelmed by the outpouring of love and support from all of you. Whether you came to sample new items, shop your favorites, or just say hello, your presence meant the world to us.

The day was filled with smiles, good food, and great conversations—and we truly couldn't have asked for more. We especially loved seeing so many new faces alongside our loyal Homestead friends. Watching the community come together to celebrate the season and support local was a sweet reminder of the blessings that come when we gather in fellowship.

As a business rooted in faith, we're reminded daily that the true gift isn't just in what we make—but in who we share it with. That is the heart of The Homestead—gathering around food, friendship, and shared joy.

To everyone who shared in the day—thank you. Thank you for showing up, for bringing your families, for cheering us on, and for being a part of what makes The Homestead so special. We are here because of you, and we're committed to continuing to serve you with the same quality, care, and heart that you've come to know and love.

Here's to a season full of sunshine, good eats, and community!
